The image shows a smartphone screen with an Instagram post creation interface. At the top, the status bar shows the time 17:17, signal strength, and battery level. The Instagram logo is in the top left, and heart and message icons are in the top right. Below the logo is a circular profile picture placeholder and the text 'username'. The main content area is divided into three sections: 'Bild- und Videoquelle' (Image and Video Source), 'Bildunterschrift' (Image Caption), and 'Caption'. Each section has a dotted line for input. Below the caption section are icons for likes, comments, shares, and a bookmark. At the bottom is the Instagram navigation bar with icons for home, search, post, activity, and profile.
